Travel

An education at St Paul's is demanding. Girls are required to live within a reasonable distance of the school and we may decline to pursue an application where, in our opinion, it may require an unrealistically demanding journey for the student.

Home postcode —————> St Paul's postcode W67BS

Should this commute be longer than 50 minutes please detail below the route and timings of the journey your daughter would take should she become a student at the school.

Please read the booklet *Information for parents 2023 entry*

We would like to draw your attention in particular to our requirements concerning residency together with our admittance of siblings policy. Further details are available in our information booklet and can be found in our Admissions policy available on the website at www.spgs.org/school-policies.

For more details about how the school will use your information and your child's information please refer to our privacy notice which is available on our website at www.spgs.org/privacy-notices
