

# Partnerships at SPGS

We have worked with more than **1000** primary school children, delivering various activities (Book Clubs in Schools, West London Zone – Senior School Project, Minimus, H&F Panathlon, *Jupiter Project*, Sports Days for Primary Schools, Primary Schools Tournament, Tuesday Evening Basketball, Primary Schools Enrichment Days, Junior Citizenship Scheme, Maths Masterclasses)

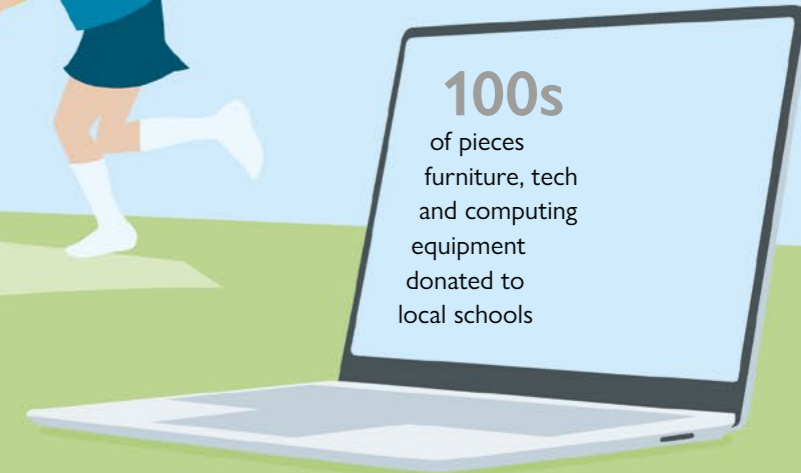

We have worked with over **700** secondary school pupils (delivering talks and events, STEM Courses and revision classes to support A Levels and GCSE Exams)

Over **2000** young people have used our facilities (including for sports, drama workshops, swimming lessons and concerts)

Our staff supported over **50** A Level students with personal statements

**100s** of pieces furniture, tech and computing equipment donated to local schools

An Art library consisting of over **400** books was donated to a local school

We worked with **10** students who went on to receive offers for Oxbridge

Over **350** Paulinas have been involved with partnerships so far

**521** children used the school as part of the National Citizenship Service scheme during the summer holidays

Around **150** students came to St Paul's for Higher Education Support

We offered places to **120** students into our STEM Summer school for 2021 and 2022, with revision in the Easter holidays

Over **2500** books in other subjects were donated to local schools
